## From John's Pulpit

### ***GOD IS TRUSTWORTHY***

*For all the promises of God in Him are Yes, and in Him Amen, to the glory of God through us.*

***2 Corinthians 1:20.***

The Christian life rests on a foundation of God's promises for today and for the future. We can trust everything that our heavenly Father has said because His word shows Him to be truthful. The Lord knows what is true and speaks honestly in all matters. We can be assured of this because He is holy, and there is no sin in Him. He is also omniscient and understands everything (Hebrews 4:12-13). His promises are based on His infinite knowledge and truthfulness.

The Scripture readings suggest our heavenly Father is faithful, loving, and all powerful.

**Faithful.** Comparing the Scripture to (Isaiah 40:11) the Lord is a shepherd who "gathers His lambs in His arms and carries them close to His heart." This means what God has planned for us, He will bring to fruition. And He does not waver in His intentions or will. (Romans 8:28)

**Loving.** This Scripture also gives us the assurance that God is loving and He demonstrated His love at the cross. He sent His Son Jesus to die by crucifixion and thereby take the punishment for our sins. The Savior experienced God's wrath against iniquity so we might know only His love. This is the ultimate proof of His devotion to us.

**All-powerful.** We always have to remember that a Divine Power created the earth and raised the Savior back to life, proving that God has the ability to carry out all His plans. Our omnipotent Father can keep every one of His promises.

## Don't Throw That Away!

In addition to recycling cans, bottles, jars, and paper, remember that very little should be going in your trash these days. There are many items that area schools, nursing homes, animal shelters, and we here at Wesley Grove collect and either use or turn in for monetary credit. Here is a list of most of those things...

**Dead Lightbulbs:** Save these for a craft that the Evening Circle will be making for next fall's Holly Days Craft Bazaar. We would especially like any odd or unusual-shaped bulbs.

**Aluminum Cans, Foil, and Pie Plates:** Save these materials, bring them to the Education Building, and place them in the large yellow bins in the courtyard. Andi Brickman takes these items to an area recycling center for us about once a quarter, and Wesley Grove earns \$15-\$25 each time.

**General Mills Box Tops for Education:** These box tops can be found on all General Mills products (including cereal, granola bars, rice mixes, pasta mixes, etc.), Bisquick, Betty Crocker cake mixes and frosting, Old El Paso products, Kleenex brand tissues, Zip-lock and Hefty plastic bags and cups, Avery office supplies, Yoplait yogurt, Land-O-Lakes butter, Motts apple juice, and many other products, so check out your packaging carefully before throwing it away.

**Campbell's Labels for Education:** These labels are found on all Campbell's beans, gravies, and soups (both cans and individual servings) as well as on V-8 products, Vlasic pickles, Swanson frozen products, Prego spaghetti sauce, and all Pepperidge Farm products. Be sure to cut the dashed coupon part off each product label.

**Tyson's A+ for Education:** These labels can be found on all Tyson chicken products, both fresh and frozen. Each one is worth 24 cents for an area school.

**Printer Ink Cartridges:** Don't throw these away! Schools can recycle them for cash.

**Small Plastic Lids:** Save the ones that you take off soda and water bottles as well as gallon milk jugs and orange juice containers. Art teachers use these to mix small amounts of paint and to make collages.

**Recent Magazines & Paperback Novels:** When you are done reading these, do not recycle them. Instead, give them to an area nursing home or county jail for their residents to read and enjoy.

**Old Blankets, Sheets, Towels, Pillows, and Comforters:** Don't throw these away. Animal shelters can use them as bedding for their animals.

You can save all of these items and send them to area schools, shelters, and group homes yourself, or you can just bring them to church and give them to Tammy. She will be sure that they get to the proper locations within our community.

Remember that our **Spring Community Yard Sale** is coming up on Saturday, May 9 from 9 am to 2 pm. Wesley Grove will gladly accept all gently used household items, sporting goods, toys, books, and furniture for resale at this event. Please, no clothing.

**And don't forget to re-register your Safeway card for the eScrip program as well as your Giant card!** Wesley Grove can earn money while you do your regular weekly grocery shopping. If you need help registering your cards, please talk to Tammy Monarch, and she can do it for you. Remember they must be re-registered each school year. **Thanks a bunch!**

We're going to have a ball in February: A Snow Ball, that is, as we welcome our special needs friends on Saturday, February 21, for an evening of dancing and snacks from 7 to 10 p.m. If you would like to be blessed by helping share Christian love with our guests, please see Becky Lewis. ## Missions News

*Jackie Hottinger, Chair*

Thank you to everyone who participated in and/or contributed to our Damascus Help food pantry drive, holiday gifts and food baskets, and nursing home collections. All of these drives were very successful and greatly appreciated by the recipients. The soup kitchen on December 29 was lots of fun and we had such wonderful help! Special kudos to our Sunday School children who volunteered and helped serve the food and clean up after the meal.

Missions will be collecting drinks and snacks for the afterschool "Rock the House" program during the month of February. There are 25 children currently attending after school from the Damascus Gardens and Perrywood Apartments. They are in a safe environment and are tutored, helped with homework, and taught about the Bible. The snacks are the highlight of their afternoon. Please see the signup sheet in the greeting room if you would like to participate.

Our first 2015 Missions meeting will be in February. If you have any projects you would like us to explore, please speak to a member of the Missions team.

*(Continued from page 1)*

Christian friends, a promise is valuable only if the one making it has a trustworthy character and the ability to carry through. Now, be encouraged that our heavenly Father is truthful, faithful, loving, and all-powerful, and we can base our entire life on His promises, secured in the knowledge of His word by faith. He will do just as He has said. Continue lifting the name of the Lord Jesus Christ high in all life situations throughout the year, and you and your entire family will be blessed.

*Pastor John Ampiah-Addison*

## Sunday School News

*Tammy Monarch, Education Chair*

Our weekly family Sunday School Class continues to grow stronger all the time! Everyone enters each Sunday excited and ready to learn about God and becoming a better Christian. In fact, we even have some kids who race their parents to get here first. And what could be better than that??? Kids that run to get to God!

Currently, we are learning about the life and teachings of our Lord and Savior, Jesus Christ. We started with the obvious – his birth at Christmas time – and then moved on to his early years, getting left at the Temple in Jerusalem, and his baptism by his cousin, John – all of this leading up to the season of Lent and Holy Week. Our lessons are filled with stories, artwork, scriptures, videos, songs, discussions, and lots and lots of fun! Please feel free to come and join us anytime – both young and old. We would love to have you!

## WG Scholarship News

## Floral Cross

*Worship Committee*

This winter has been bitter cold and we're all looking for signs of spring. For the Lenten season, our church will replace the altar flowers with greenery. On Easter Sunday, we will decorate our altar with a profusion of colorful flowers to celebrate the resurrection of Christ. The Worship Committee invites the congregation to participate in our new tradition, the Easter Cross. We had one last year that looked lovely. Thank you to everyone who brought flowers then. Please look in your flower beds on Easter Sunday, April 5, for colorful flowers with which to decorate the cross in our greeting room. Please clip a few small bunches of flowers to about 6"-8" in length and wrap the cut ends with a small strip of damp paper towel, covered with a strip of aluminum foil. There will be rubber bands to attach the flowers to the cross. Easter is quite early this year, so if you don't see flowers in your garden, please stop by your local grocery store and bring a small bouquet with you on Easter morning.

## VBS News

*Tammy Monarch, Education Chair*

This summer's Vacation Bible School is just five months away! We will once again hold it in the evenings from 5:30-8:30 during the week of Monday, July 13 through Friday, July 17 in our educational building. Please mark your calendars now, save this week, and pass the word on to your children, grandchildren, friends, and neighbors.

It's time to start planning and preparing for VBS right now. This year's theme of God's Greatness will take place high up in the Himalayan Mountains of Nepal. We will set up a base camp and then climb together to the summit of Mt. Everest, the one spot on Earth physically closest to Heaven, and therefore, to God.

We are asking all of you to check in your basements, garages, attics, and closets for items that we could use to decorate the Education Building to look like a campsite high up in the mountains: camping gear, tents, backpacks, sleeping bags, lanterns, etc., and anything to help us create snowy mountain background scenes. Please let Tammy Monarch know if you have items that we could use.

As always, we can use any and all help. If you would like to volunteer to help plan the week, decorate the hall, teach lessons, serve dinner, etc., please let Tammy know.

## Dear Wesley Grove Family,

*Jim Kemp, Finance Chair*

Just a note of thanks to you from the finance chair. It is a blessing that we ended 2014 with more money in the checkbook than we had on January 1, 2014. Thanks to everyone for helping with our fundraisers, for your weekly giving, and for just coming and being a part of our church family.

Isn't it a joy to see our youth in church and taking such an active part? I know it's a joy and challenge to Doug and Tammy, the way our Sunday School has grown.

I know everything costs money, especially all the programs and projects our small church does. I want to thank all our committee chairs for spending only what they needed to and keeping our budget low.

It is really a joy to be a member of this church and hear the comments on how nice it was that we sang and gave some joy to the patients at the nursing homes and our shut-ins. We also receive a lot of good comments on how we help the community in many ways. Soup kitchen, lap rugs and toiletries to nursing homes, Damascus HELP, Damascus food pantry, Easter egg hunt, visit with Santa, Trunk or Treat, special needs programs, Blessing of the Animals, free ball field and playground, the help we give to several families at Thanksgiving and Christmas, live nativity production, Missions Committee for all mission projects we give to, our youth for their involvement in many mission fundraisers, the list goes on and on, and I may have missed a few. This just goes to show how active our church is!

God bless everyone and have a great 2015!
