From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Missions Committee

Jackie Hottinger, Chair

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

Becky Lewis, Chair

The Christian Fellowship Committee invites you to our Winter 2014 Soup Sunday on January 26 following worship. Please sign up in the Greeting Room to bring a soup, bread/muffins, or dessert, and join your church family in a cozy meal to ward off the cold.

Coffee and Conversation for January takes place on Sunday, January 19; Brian and Becky Lewis will host. The rest of the year is wide open, so please sign up for the month that best suits your schedule.

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Missions Committee

Jackie Hottinger, Chair

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Missions Committee

Jackie Hottinger, Chair

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

Becky Lewis, Chair

The Christian Fellowship Committee invites you to our Winter 2014 Soup Sunday on January 26 following worship. Please sign up in the Greeting Room to bring a soup, bread/muffins, or dessert, and join your church family in a cozy meal to ward off the cold.

Coffee and Conversation for January takes place on Sunday, January 19; Brian and Becky Lewis will host. The rest of the year is wide open, so please sign up for the month that best suits your schedule.

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Missions Committee

Jackie Hottinger, Chair

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

Becky Lewis, Chair

The Christian Fellowship Committee invites you to our Winter 2014 Soup Sunday on January 26 following worship. Please sign up in the Greeting Room to bring a soup, bread/muffins, or dessert, and join your church family in a cozy meal to ward off the cold.

Coffee and Conversation for January takes place on Sunday, January 19; Brian and Becky Lewis will host. The rest of the year is wide open, so please sign up for the month that best suits your schedule.

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Missions Committee

Jackie Hottinger, Chair

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

The Christian Fellowship Committee invites you to our Winter 2014 Soup Sunday on January 26 following worship. Please sign up in the Greeting Room to bring a soup, bread/muffins, or dessert, and join your church family in a cozy meal to ward off the cold.

Coffee and Conversation for January takes place on Sunday, January 19; Brian and Becky Lewis will host. The rest of the year is wide open, so please sign up for the month that best suits your schedule.

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Missions Committee

Jackie Hottinger, Chair

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

Becky Lewis, Chair

The Christian Fellowship Committee invites you to our Winter 2014 Soup Sunday on January 26 following worship. Please sign up in the Greeting Room to bring a soup, bread/muffins, or dessert, and join your church family in a cozy meal to ward off the cold.

Coffee and Conversation for January takes place on Sunday, January 19; Brian and Becky Lewis will host. The rest of the year is wide open, so please sign up for the month that best suits your schedule.

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Missions Committee

Jackie Hottinger, Chair

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

The Christian Fellowship Committee invites you to our Winter 2014 Soup Sunday on January 26 following worship. Please sign up in the Greeting Room to bring a soup, bread/muffins, or dessert, and join your church family in a cozy meal to ward off the cold.

Coffee and Conversation for January takes place on Sunday, January 19; Brian and Becky Lewis will host. The rest of the year is wide open, so please sign up for the month that best suits your schedule.

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Missions Committee

Jackie Hottinger, Chair

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

Becky Lewis, Chair

The Christian Fellowship Committee invites you to our Winter 2014 Soup Sunday on January 26 following worship. Please sign up in the Greeting Room to bring a soup, bread/muffins, or dessert, and join your church family in a cozy meal to ward off the cold.

Coffee and Conversation for January takes place on Sunday, January 19; Brian and Becky Lewis will host. The rest of the year is wide open, so please sign up for the month that best suits your schedule.

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Missions Committee

Jackie Hottinger, Chair

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

The Christian Fellowship Committee invites you to our Winter 2014 Soup Sunday on January 26 following worship. Please sign up in the Greeting Room to bring a soup, bread/muffins, or dessert, and join your church family in a cozy meal to ward off the cold.

Coffee and Conversation for January takes place on Sunday, January 19; Brian and Becky Lewis will host. The rest of the year is wide open, so please sign up for the month that best suits your schedule.

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

From the Pastor's Desk

"Indeed, God did not send his Son into the world to condemn the world, but in order that the world might be saved through [Jesus]." (John 3:17)

As I have prayed for the coming year, the Lord has put in me a word, "restoration." We need restoration — from unhappiness to happiness and from hopelessness to hopefulness. Our minds and bodies need to be renewed. Sadness must turn into joy. Quarreling and divisions should turn into peace. Disobedience must be restored to obedience, and pride to humility. Destruction needs to be restored to prosperity and wrath to blessing. We want restoration.

Jesus came on this earth to restore us. Restoration is God's gift for those who accept Jesus, but not everybody does accept him. Some of us are still lingering on the threshold or don't open the door for him. Do you want your life to be renewed? Accept Jesus. Accept Him in your heart. When you accept Jesus who came to restore you, you will be restored.

What does it mean by accepting Jesus, then? It means accepting His words into our hearts and obeying them. The Bible introduces Jesus as the Word who became flesh and made his dwelling among us. Therefore, when we accept the Word, we accept Jesus.

Let me give you an example. When you want your family to be restored, you need to accept God's words with regard to your family: "Wives, submit to your husbands. Husbands, love your wives and do not be harsh with them." Jesus came to you in these words for your family's restoration. When you accept these words, you accept Jesus. If you accept Jesus who came in these

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

Missions Committee

Jackie Hottinger, Chair

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

Becky Lewis, Chair

The Christian Fellowship Committee invites you to our Winter 2014 Soup Sunday on January 26 following worship. Please sign up in the Greeting Room to bring a soup, bread/muffins, or dessert, and join your church family in a cozy meal to ward off the cold.

Coffee and Conversation for January takes place on Sunday, January 19; Brian and Becky Lewis will host. The rest of the year is wide open, so please sign up for the month that best suits your schedule.

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!

words, your family will experience restoration.

No matter how long you have been attending church and involved in various kinds of volunteer work, unless you accept these words, your family will still be in need of restoration, no matter how much you cry out to God for that restoration. God will simply tell you, "I already went to your family for its restoration, but you are not opening the door. Open the door now and accept me. Accept my words. When you accept my words, you are accepting me. Acknowledge your husband as your decision maker and obey. Instead of being harsh to your wife, love her. Then your family will be restored."

How pathetic it is for a man to keep calling the pizza store for his undelivered pizza when the deliveryman has been at the door and pressing the bell. He just needs to open the door and enjoy his pizza. He doesn't need to call the store any longer. See if you are making Jesus wait outside at your door!

Open the door and accept him. Accept the word of God and obey. It will be restored. Everything will be restored.

The Community Thanksgiving Dinners at Redeemer and Greenridge churches were well attended, and according to Faith Connections, the success of the dinners and the positive responses from the guests showed that both food and fellowship are important to building a strong and caring community. Redeemer served 168 guests and Greenridge, 198.

Thank you so much to everyone who participated in our Jesse Tree and Christmas food basket drive. Because of you, five deserving families were able to enjoy the holiday. It is so generous and much appreciated for everyone to share their blessings with these local families.

We also had a nice collection of items for Pleasant View Nursing Home, which were delivered with caroling and cookies. We will continue to collect personal and toiletry items for them and food items for Damascus Help all year long.

Once again, our Missions programs for 2013 were very successful, and we should be proud of all we accomplish as a small church. We are looking forward to continuing that success as well as finding some new ministries in 2014.

Have a Blessed New Year!

Becky Lewis, Chair

The Christian Fellowship Committee invites you to our Winter 2014 Soup Sunday on January 26 following worship. Please sign up in the Greeting Room to bring a soup, bread/muffins, or dessert, and join your church family in a cozy meal to ward off the cold.

Coffee and Conversation for January takes place on Sunday, January 19; Brian and Becky Lewis will host. The rest of the year is wide open, so please sign up for the month that best suits your schedule.

Also on the schedule for January, Ladies Lunch Out will take place on Wednesday, January 15 (listen for the location in church) and the United Methodist Men will meet at Tom and Ray's for breakfast on Martin Luther King Day, Monday, January 20, at 8 a.m. The UMM will also meet at a weather-dependent time to take down the outdoor Nativity; Brian Lewis will spread the word when the time is set.

The calendar for the remainder of the year will be determined when the committee meets on Thursday, January 9, at 7:30 p.m. If you have ideas you would like to suggest for 2014, please see Becky or any other member of the committee.

The International Pot Luck previously announced for Saturday, January 18, has been postponed to Saturday, February 22, still at 6 p.m. If you would like to host, please let Becky Lewis know so the location can be announced in church. Think beyond Mexican and Italian, and start planning your dish!
